

Application to Work in the Peace and Intergroup Conflict Lab (PICL)

Directed by: Dr. Samantha Moore-Berg

Thank you for your interest in our lab. We seek dedicated students with a strong academic record and interest overlap. Although not required, we prefer students who can commit to at least two semesters. To apply, please fill out this form and send it to our lab manager at picl@psych.utah.edu. Please also submit your resume/CV and unofficial transcript.

FIRST AND LAST NAME:	
PHONE:	
EMAIL:	
What is the best way to contact you?	
What is your first language:	
Are you fluent in a second language:	If yes, what language? (If no, feel free to leave blank)
Which semester(s) are you interested in working? (check all that apply)	<input type="checkbox"/> Fall <input type="checkbox"/> Spring <input type="checkbox"/> Summer
Are you a student?	What year?
Name of undergraduate institution (regardless of whether you are still a student or graduated):	
<u>Major(s):</u>	<u>Minor(s):</u>
What is (or was) your undergraduate GPA? If you are a first-semester freshman, please calculate your GPA as if the semester ended today. If you are an international student using a different grading system (other than 4.0), please list your numeric grade. You will be able to explain its meaning in the next question.	

If you want to add a comment about your GPA, feel free to do so below. If not, feel free to leave this blank. However, if you are an international student using a different grading system, please be sure to use this space to explain your numeric grade's meaning.

We offer paid RA positions, volunteer positions, or positions for course credit. At this time, we are unable to offer paid positions to those who are out of state. Please contact the lab manager at picl@psych.utah.edu if you have any questions.

Which position are you interested in?	
How many hours can you work per week?	
Which are you available to work? (check all that apply)	<input type="checkbox"/> In-Person <input type="checkbox"/> Remote <input type="checkbox"/> Hybrid
Do you have a schedule that allows for working in the lab for at least 2-3 hours at a time?	
If not, how do you expect to fulfill the hours in the lab?	

What is your potential availability?	
Monday:	Thursday:
Tuesday:	Friday:
Wednesday:	

We research a variety of topics in our lab. Which of the following are you interested in? (Select all that apply):

<input type="checkbox"/> Political Polarization <input type="checkbox"/> Religious Conflict <input type="checkbox"/> Solidarity & Social Movements <input type="checkbox"/> Interventions	<input type="checkbox"/> Other (please describe):
--	---

How much experience do you have with the following:

	Identifying and locating research articles		Data entry/cleaning
	Using a reference manager (e.g., Zotero)		Survey creation software (e.g., Qualtrics)
	Conducting surveys or experiments with human subjects		Data analysis software (e.g, R or SPSS) If so, which one:
	Other:		

Please respond to the following questions concisely with no more than a paragraph or two.

Why do you want to become a research assistant in our lab? What are your expectations? What would you like to learn from this experience?

What relevant courses have you taken? (e.g., General Psychology, Social Psychology, Social Cognition, Cross Cultural Psychology, Intergroup Relations, Statistics, Research Methods):

Prior research experience is not a requirement. However, if you have had other research assistant experiences, please briefly describe your experience(s). Please describe (1) the nature of your experience (i.e., was it part of a class project in school, or work in a lab) (2) the research topics and questions that were being studied, (3) what role you played and the specific tasks you worked on.

Do you have any other relevant experiences that you would like us to know about?
